

# AirMedic Pro 5 Plus VOG

## Optimal Air Filtration for Homes & Businesses

Our AirMedic Pro 5 Plus VOG air purifier is designed to adsorb the dangerous pollutants emitted through volcanic smog, or vog. Recommended for indoor spaces measuring less than 500 square feet, the AirMedic Pro 5 Plus VOG also provides general filtration of chemicals, gases, odors and particles that are present in indoor environments.

### Why AllerAir Air Purifiers

Backed by unparalleled expertise in air quality control and a superior filtration system, AllerAir air cleaners are individually customized to target the airborne pollutants of concern in the environment. Our units offer more filtration media than any other manufacturer, with the deepest carbon bed filters for chemicals, gases and odors, and superior superHEPA filters for particle control.

### Cleaner Indoor Air

Clean air is recognized as a vital component for overall comfort, workplace health and safety as well as productivity. According to research from leading organizations like the EPA, WHO and Health Canada, indoor air pollution may pose more of a public health risk in North America than outdoor air pollution.
